This May in VPK A

We will be planting flowers, continuing to learn the alphabet, numbers 1-50, syllables, compound words, short sentences, positional words, and introduction of adding. We will continue to learn sight words, read our small books, bible studies, and rehearse our song for graduation.

Thank You!

We would like to thank all the parents for your love and support. We would also like to thank you for allowing us to teach your child. It was a pleasure.
